OS-TRICH

'ästriCH noun: ostrich; plural noun: ostriches Origin:

Middle English: from Old French ostriche, from Latin avis 'bird' + late Latin struthio (from Greek strouthiōn 'ostrich,' from strouthos 'sparrow or ostrich'). BC original.

1. a flightless swift-running African bird with a long neck, long legs, and two toes on each foot. It is the largest living bird, with males reaching an average height of 8 feet (2.5 m).
2. a person who refuses to face reality or accept facts.
